Golf Courses

Canyon Course

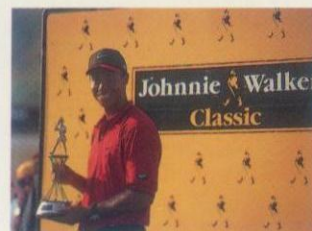

Blessed with rare, natural landscape, the initial concept of creating a world standard championship golf course has been achieved with the Canyon Course. All golfers are challenged, each hole is remembered and worries forgotten while playing this beautiful course. The signature "Canyon" holes are truly a spectacular and memorable experience.

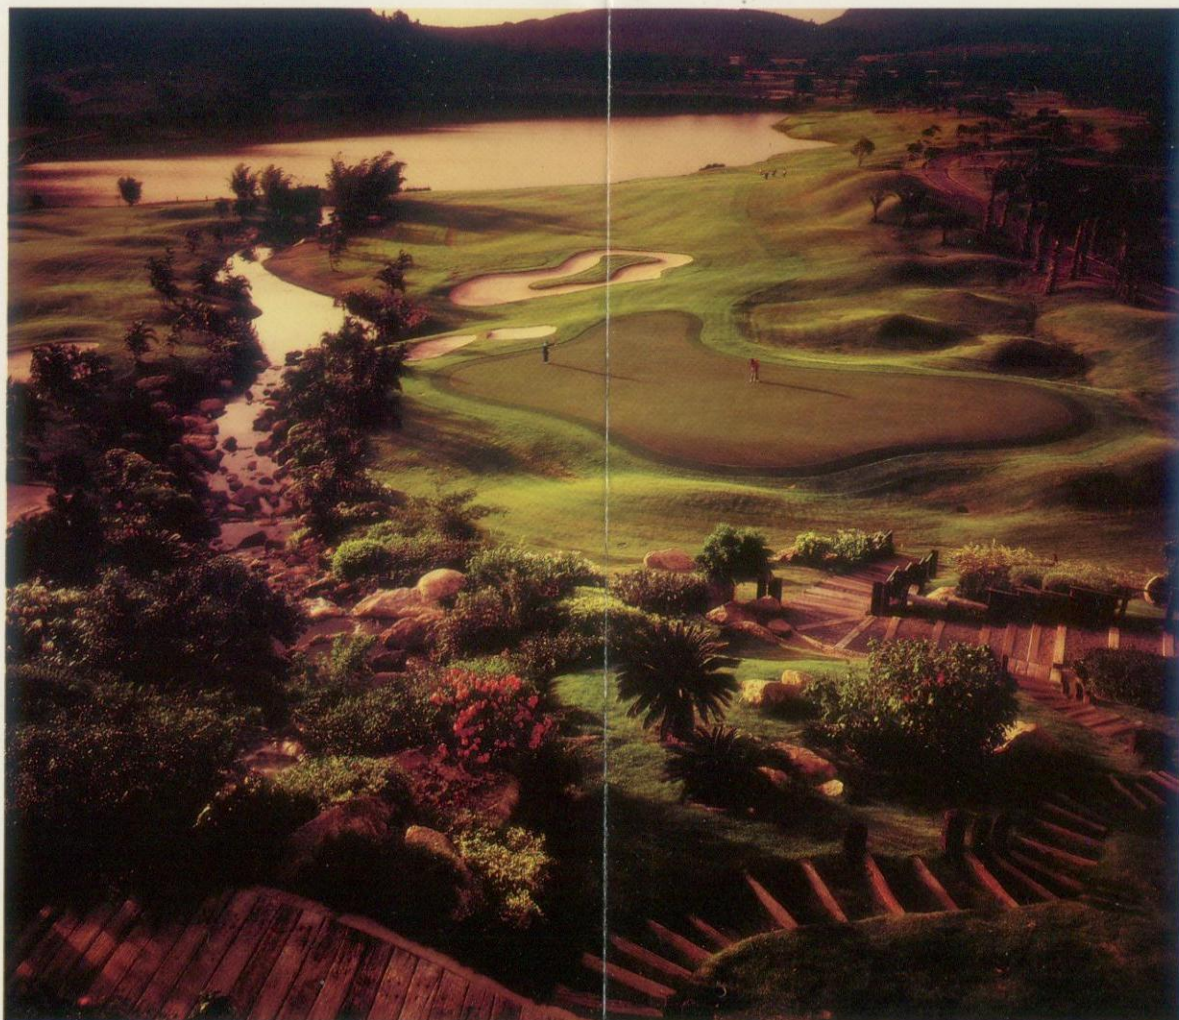

Lakes Course

A different golfing experience is offered on the challenging Lakes Course, with plenty of water and gently undulating fairways. Panoramic mountain views across the many lakes provides a memorable golfing environment for everyone.

**Johnnie Walker
Classic**

Blue Canyon leapt to fame, when the Canyon Course was selected as the venue for the 1994 Johnnie Walker Classic. This tournament returned here in January, 1998 where many of the worlds' top golfers kept the galleries captivated by their excellent play. Culminating in World No. 1, Tiger Woods eventually succeeding over Ernie Els on the second hole of a sudden death play-off to win the Championship.

Chairman's Message

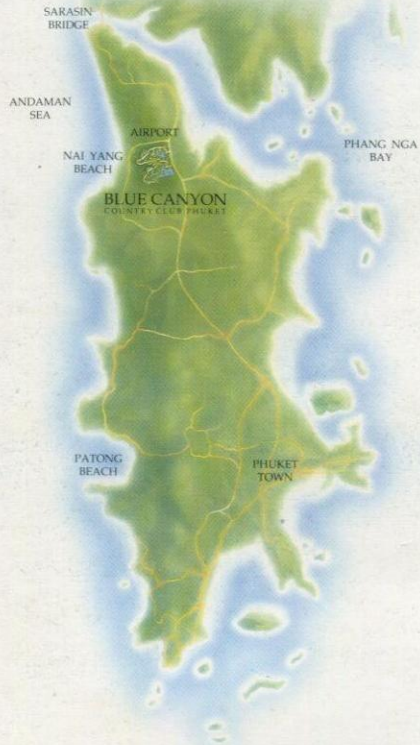

Since Blue Canyon Country Club opened in late 1991, we've welcomed guests from all over the world. Also, with the great success of the 1994 and 1998 Johnnie Walker Classics, Blue Canyon has been recognized as a world championship golf course, and one of the best in Asia. However, it was not only our intention to construct the No. 1 golf course, but to create a prestigious private country club with a world renowned 36 holes. That is our dream.

We take special pride in the comments received from Mr. Gary Player. "Absolutely magnificent course, they've got the most beautiful setting, having really used the natural landscape and built the holes around it, The Clubhouse you don't find any better anywhere in the world, food is good, everybody is friendly, how can you beat it!"

Blue Canyon Country Club. The ultimate golf retreat. We are very proud of our achievement and would be honored to share it with you.

We believe that the only way to appreciate this very special piece of land is to see it, play it and enjoy it.

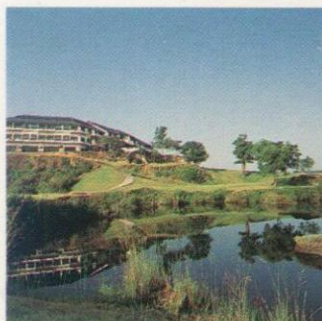

You are invited to do just this.

But the emphasis here is more on developing the game you already have. We want you to lower your scores by improving your ability to hit the different shots you need to get around the course. If you are above 24 handicap but have a reasonable grasp of the basics, please feel free to enroll. This course will definitely help you to lower your handicap and develop your game towards longer term improvement.

Gary Player

Gary Player's record includes winning over 150 tournaments worldwide. He has won 9 major tournaments and is only one of four players ever to win all of golf's majors. After completing the senior grand slam, he became the only player ever to have won both grand slams.

The Philosophy

Gary Player achieved greatness because he worked on his mental and physical approach to golf in addition to his playing skills. Whatever level of golf you play, you too can improve by developing these aspects. The Gary Player Golf Academy teaches not only the all important skill dimension, but also the mental and physical aspects of the game. Whether you wish to perfect your game or just learn techniques for lowering your score, the Gary Player system will provide the necessary program to achieve this.

Two Half Days Courses

Analytical and Playing Courses

run only the weekend, these two courses run side by side and give the flexibility for you to choose a course that works on the weak areas of your game or both, if you are really keen.

Analytical Course

Do you have problems with consistency? If so, you probably have a basic fault that doesn't allow you to hit your best shots often enough. The Analytical Course is designed specifically for golfers who need work on their technique. Most golfers technical problems also influence their short game, so we work on the short game alongside the long game.

Chairman's Message

ブルーキャニオン・カントリークラブは1991年、今世界で最も注目を浴びているリゾート「ブーケット」に誕生しました。オープン以来、世界各地より様々な方々が来場されましたが、ゲイリー・プレイヤーより「あなたがプレーしうる世界で最も美しいコースの一つ…、これ以上の所を望むのは無理だろう」とコメントを頂いた事は開発者として何よりも嬉しい事です。

1994年にはジョニーウォーカークラシックの舞台となり、一躍世界のチャンピオンコースとして認識され、今では東南アジア No.1 のコースと評価を受けているようです。しかし、No.1 のコースを創る事が私どもの目的では有りません。世界でも指折りの presteege を備えたプライベートクラブを創りあげたいのです。そのクラブに世界屈指の36ホールがある、これが夢です。二人のキャディーを従え、前後の組に煩わされる事もなく、家族と、そして友人と最高のプレーが楽しめる。また時にはクルーザーをチャーターし深藍の海と白砂の海岸に囲まれた島巡りに興じる。

日本ではもう手の届かない私達の「夢のコミュニティー」にジョインなさいませんか。
